**Object: New CMAS Insurance system**

Dear President, Dear Secretary General,

To be in accordance with the Olympic and Sport Rules, CMAS has set up a new system of insurance in order to better protect the athletes and avoid any incidents during our competitions.

We have tried to find the best insurance system in term of quality, coverage and price.

We let you know that according a BOD decision which has been taken last October in Beirut, Lebanon, ***this insurance is not an obligation for the National Federations who are already insured. But it is an obligation for the others.***

For that purpose, we kindly invite you to provide CMAS as soon as possible with the document saying that your federation is legally insured.

By this we will adapt your real profile in our online system "CMAS OFFICE ».

For further clarifications or questions, please do not hesitate to contact us.

Best regards,

**Hassan Baccouche**  
**Secretary General**
